

# CAPITAL AREA WORKFORCE DEVELOPMENT

**Overview.** Capital Area is one of 23 workforce boards serving businesses and citizens in North Carolina. The boards provide policy, planning and oversight under the guidelines established by the Workforce Innovation & Opportunity Act (WIOA). Each is comprised of up to 25 members, 51% of whom must represent the private sector. Capital Area's board members also serve on 4 regularly convening committees that support the mission and strategic goals of the organization.

## OUR VISION

Be the leader in providing innovative talent management solutions to match workforce skills with employer needs.
