

Champions of economic
development through
workforce excellence.

The impact of workforce development to businesses is new ideas, new markets and new products because companies will have the talent necessary to drive innovation.

About CAWD

- Federally funded by the Workforce Innovation and Opportunity Act
- Oversight of NCWorks and NextGen Career Centers
- Conveners of industry, education, economic development and other stakeholders for short and long-term talent initiatives

Who We Serve

- Wake & Johnston Counties
- Businesses and industry of all sizes
- Adults and youth at every career stage
- More than 30,000 job seekers served annually
- More than \$1M in training funds invested annually

Service Delivery

- Consultative advisor connecting industry to talent
- Gateway to resources and funding for talent acquisition, development and retention
- Ally and partner to ensure that the regional talent supply is marketable and competitive

Our Vision

is an effective workforce system through which businesses can access a skilled talent pool, and citizens can qualify for good jobs and build careers that allow them to sustain a household and participate in the economic prosperity of the region.
