

Capital Area Apprenticeship Prep Program

NOW ACCEPTING APPLICATIONS!

Apprenticeships are the best way to great paying jobs because classroom instruction and hands-on learning occur at the same time! This is a chance to learn about the electrical career pathway. In addition to training, here are more benefits:

Books and equipment provided
Bonuses for achievements
Leadership Development

Mentorships
Better problem-solving skills
A path to college, work or both!

Training for this program is provided by the Raleigh-Durham Joint Apprenticeship Training Committee (JATC).

Requirements:

- Age 16-24
- Obstacles such as school dropout, pregnancy or parenting, low income, legal issues, homeless, etc.
- A sincere desire for a better life!
