

## About Capital Area Workforce Development Board

CAWD is a public-private partnership and 501(c)3 largely funded by the Workforce Innovation and Opportunity Act (WIOA) of 2014. Through collaborations with business, government, education and others in Wake and Johnston Counties, we have developed state and nationally-recognized workforce programs, connected businesses to the education system and workforce resources, and helped thousands to gain employment and contribute to the prosperity of the community. On July 1, 2022, CAWD's service area expanded to include Chatham and Lee Counties. We are champions of economic development through workforce excellence.
