

Workforce development is all about making sure businesses have the talent needed to generate new ideas, expand markets, and to drive production and innovation.

Champions of economic development through workforce excellence.

About CAWD

- Federally funded by the Workforce Innovation and Opportunity Act
- Oversight of NCWorks and NextGen Career Centers
- Creator of state and nationally-recognized workforce programs that have helped thousands to gain employment

Who We Serve

- Wake, Johnston, Chatham Lee and Orange Counties
- Businesses and industries of all sizes
- Adults at every career stage
- In or out of school youth and young adults with barriers to employment

How We Work

- Gateway to resources and funding for talent acquisition, development and retention
- Conveners of industry, education, and economic development for short and long-term talent initiatives
- Ally and partner to ensure the region's talent supply is competitive

Our Vision

is an effective workforce system through which businesses can access a skilled talent pool, and citizens can build careers that allow them to sustain a household and participate in the economic prosperity of the region.
